## ENVIRONMENTAL POLICY

### OUR ORGANISATION

ROMA TRANSPORT & CRANE SERVICES is responsible for effective delivery of a large range of industry services that improve the lives of individuals that we employ. Due to the nature of our business and geographical spread, we are in a strong position to influence an environmental friendly practice and to demonstrate our good environmental stewardship and social responsibility.

This Environmental Policy Statement covers ROMA TRANSPORT & CRANE SERVICES operations throughout Australia and will be communicated to all staff and available to the public. ROMA TRANSPORT & CRANE SERVICES will continually improve its business performance and conduct its operations in an environmentally responsible manner, clearly reflecting a commitment to fostering the sustainable use of the Earth's resources.

**ROMA TRANSPORT & CRANE SERVICES** will also implement and maintain an Environmental Management System to ISO14001 and ISO 1408 requirements.

#### We will:

- Comply with all relevant environmental legislation and regulations, and other initiatives to which we subscribe
- Incorporate environmental better practice into our core business plans and management processes
- Minimise negative impacts we may have on the environment, through efficient use of resources, and reduction in emissions and waste
- Develop a -wide framework for setting and reviewing our environmental objectives and targets, which will include key environmental management and performance indicators against aspects of ROMA TRANSPORT & CRANE SERVICES operations
- Provide regular monitoring and reporting against these indicators to all staff
- Incorporate environmental better practice into all technological solutions, and the fit-out and operation of accommodation
- Ensure we work closely with our clients, suppliers, contractors, and other interested parties to continually improve our processes in environmental better practice, and
- Foster the initiation and ownership of environmental activities by all our staff, thereby inculcating a strong environmentally aware business culture.
